"I want to be around to see my kids grow up. To be there for their twenty-firsts, see them get married and have children of their own." – Christian Cousins, who has been battling melanoma since 1999 speaks out about his cancer experience for our latest appeal. Good news today with a report that twice as many lives have been saved since cervical cancer screening was introduced in 1991. But ladies, only 1 in 3 of you who gets a reminder letter actually has the test within three months! If this rings true for you, find a local screening provider in Victoria by visiting [www.papscreen.org.au](http://www.papscreen.org.au)
