An excellent range of skin and haircare solutions

Dr. Spiller
BIOCOSMETICS

Dr. Spiller Biocosmetic uses the patented Hydratain® emulsion system, making it completely unique in skin care – by providing you with the ultimate in hydration and anti-ageing.

[View Product](#)Ultraceuticals
SKINCARE

Ultraceuticals is one of Australia's pre-eminent cosmeceutical brands, offering professional-grade products and in-clinic treatments, formulated to address major skin concerns – ageing, pigmentation and acne – for your best-ever skin.

[View Product](#)Young Blood
MINERAL
COSMETICS

Youngblood is the premier luxury mineral cosmetics line made of natural, finely ground minerals from the earth – without any of the common irritants (including chemicals, dyes and preservatives) found in conventional makeup.

[View Product](#)Moroccanoil
HAIR CARE

Moroccanoil built their reputation on positive word of mouth from runways to salons to editorial spreads. Their antioxidant infused, nutrient rich, innovative formulas are unmatched and provide dramatic results.

[View Product](#)Moroccan Tan
SPRAY TAN

Moroccan Tan use luxurious tanning formulas that are absorbed deep into the skin for an exotic bronze glow. Enriched with nourishing vitamins and organic oils, Moroccan Tan solutions are free from alcohol, polyethylene glycol (PEG) and parabens – making them suitable for all skin types.

[View Product](#)Mancine
COSMETICS

Today's ever-expanding Mancine range of proven body care formulations provide men and women of all ages with superior treatments to guarantee they look good and feel great.

[View Product](#)Hair Removal
IPL

IPL is a non-invasive light based technology used to permanently reduce unwanted hair and improve many skin conditions. Such conditions as age spots, sun spots, freckles, superficial capillaries and other unsightly discolouration of the skin can be eliminated using this technology.

[View Product](#)Radiofrequency
TREATMENT

Radio Frequency, also referred to as RF, is a fantastic treatment for tightening loose or sagging skin on any area of the body to produce firmer, more youthful looking skin.

[View Product](#)Light Therapy
LED

LED treatments target acne, pigmentation, rosacea, age spots, wrinkles, acne scarring and signs of ageing to give you more radiant, beautiful and younger looking skin.

[View Product](#)Fat Cavitation
TREATMENT

Fat Cavitation sculpts your figure and enhances your silhouette by reducing stubborn pockets of fat without the need for invasive surgery such as liposuction.
